How to Submit Advisory Measure Petitions

August 23, 2020 is the last day to submit petitions for advisory resolutions by email, elections@oregoncountryfair.org or by 8 pm at the Fair office, 442 Lawrence St, Eugene, OR, 97401.

- Petitions require a minimum of 25 member signatures.
- Include printed member's name, signature, and Fair affiliation.
- Include lead petitioner, title, and exact language to be published.

This year, as we are unable to gather together, members may "sign the petition" by submitting a copy of the exact petition title and language, lead petitioner's name, their printed name, Fair affiliation, and physical signature by email (scan to send) or to the Fair office by the deadline.

This process would also be used for a board member recall.
