

Oregon Country Fair Food Committee Meeting 9-28-16

In attendance: Shane Harvey, Danye, Sue, Larry, Saman Brandelyn (scribe)

Post fair booth issues:

Danye report: list of booths that have left their booths in disarray. Several booths have items that are not secured for winter.

Bubbles project discussion: FC met with Kirk and are planning on working together in the future, possibly to develop a crew. The FC would like to work more closely with Kirk on this project. Kirk would like to put at least 5 years into this project before he withdraws** Saman will contact Kirk to let him know we will contact him to come to a FC meeting when we are ready to do so.

Durables issues:

**FC should email Crystalyn with a list of the past issues with durables.

Including: dirty forks, forks soaked too long (not usable), not distributed to booths that paid, booths running out during fair,

Discussion regarding construction: Crystalyn followed up and construction agreed that they would come to the food committee with any issues first.

Probationary booth discussion: continuing issues this year: sprawl, difficulty getting booth to vacate on Monday.

Booth had two locations: booth has been warned previously. FC needs to bring to a meeting.

Booth rep issue: continue to look for a viable booth rep.

Specific strollers: extremely large footprint

Process:

Warning, probation, written contract for compliance, suspension discussion, suspension.

Food committee/Food crew: discussion continues regarding delegating responsibilities, having titles, developing committee roles and hours.

Email communication: this month discuss next steps.

Email to create a rough draft of the letter that must go out to booths who have left items onsite or unsecured items. Booths that are not ready for winter.

New loop strollers: **FC needs to contact Justin and path planning to discuss if there is room for more strollers this year in the new loop.

Ice crew discussion: The OCF will be taking over the ice project. Some difficulty with ice delivery this year. There was a lot of ambiguity this year. Open to comments suggestions and feedback to improve the ice.

Timeline:

Next meeting: October 26th 5:15 p.m.

Agenda: Have everything in place to send out emails to anyone who might be put on probation or suspension. Talk about problem booths and come to a conclusion. Meet with viable booth rep candidates. **Jason will call and invite them to the Oct. 26th meeting. **Sue will email Jason to inform him. Develop guideline proposal for water systems left unattended. Invite Phebe Howe, **Crystalyn will cc us in an email to invite to the Oct. 26th meeting or provide feedback from Water Crew regarding the new guideline proposal.

Nov. 30th 5:15

Agenda: finalize openings for next year, we should know about all probations and suspensions so that we can put a call out to vendors for applications. Meeting with probationary booths.
