Food tastings choices: discussion....

If we don't agree on anything this year, we could place them in a cart, not choose to fill the spot....

Suggested new booth protocols:

A letter should be provided each year for the three probationary years on what is working and potential or existing issues that should be corrected.

Jurying process needs to look at the product and the strolling cart size and make decisions based on difficulty or facility creating an approved product from a cart.

Food Crew vs. Food Committee.... Food crew would get a staff pass from the fair...separates booth owners so that they are not part of food crew.
