

Oregon Country Fair Food Committee Meeting 5-30-18

In attendance: Jason, Dan Mix, Thom, Dave, Larry, Sue, Louise, Saman, Brandelyn (Scribe)

Missing Blue Sheets: No additional sheets have arrived. Still missing several blue sheets.

Follow up on Menu addition/change requests: discussed.

Future discussions: Can a drink only booth add food, if they were juried in as drink booth?
Discussion for Fall 2018.

Menu additions process:

OCF food process: If it is a similar item that the booth already has it should be approved. If it is a different item it should be tasted. The purpose of tasting is to compare to other fair items for duplication. To look at the quality of the food and the ingredients. Having policy and procedure helps to clarify what is allowable.

Pass Requests Discussed: All booths with additional pass requests must submit a shift schedule and must meet criteria. Additional questions to discuss with booths....teens aging out do not qualify as a pass request, childcare providers do not qualify as a pass request, elders can no longer run their booth if they are taking an elder pass, booths must try to utilize day workers, efficient shift scheduling, maximize production. Pass requests should be considered a last resort and booths must meet all criteria if they wish to be considered including a shift schedule. Shifts will be verified onsite by food crew members to verify accuracy of shift schedules.

Fall agenda: FC needs to discuss what strollers can and cannot serve based on Health and Safety guidelines and allowable prep space.
