Wholesale menu change discussion: Discussion regarding whether a booth that is juried in for a specific item can replace their main item and create a wholesale change.

Booth issue letter discussed:

Booth relocation discussion:

Cart mobility discussion: Do carts need to be able to move? The term “cart” is out dated and irrelevant. Carts in the main stage area previously need to be moveable for fire safety. Zoning discussion. Mobile food and cart mapping (especially around main stage area) suggestion. Zoning placement with types of carts (i.e. zone 2 placement requires a booth that can move). Previous discussions included three tiers of booths. Mapping specific types of booths makes cart vs. booth is helpful for when a booth applies and can fill a spot should an established booth takes a leave of absence. Can booths be encouraged to share space?

Refer to guideline 85 2018

Guideline 79: Breakfast Items cannot be served during public hours. The last Monday in May for tasting new items. May 1<sup>st</sup> Deadline for approval.

Guideline 83: Food booth reps. 1st Wed in May deadline for food booth rep changes.

Guideline addition: \*Mandatory food booth meeting date should be in the guidelines.

Conversations with booths discussed: Communication is key.

Board minutes: Food committee will need to send a board report. Pending new board changes. FC will be advised as to how often board reports will need to be submitted. Currently board liason reports food committee status to the board regularly.

Letter draft: Create a letter call out to vendors to see if there is interest in a post fair meeting to discuss ideas and issues for fair. FC could develop a survey and develop thoughtful questions to help vendors process.
