Post Fair Town Hall Discussion for Next Year?

Do we want to reserve Harris Hall for Sept/October?

We need to do a call out to ask how many people are interested in meeting? What are the common issues that people have? Are there questions about dust?

To discuss positives and challenges.....

Regarding water and dust issues in Xavanadu

Can Justin send an email to vendors to ask for input so we have an idea of what topics need to be addressed. Questions, feedback, concerns. We are planning a town hall meeting so please let us know what topics need to be addressed. \*Jason will draft this.

Booth issue discussed:

Post fair de-brief: Do we invite all new booths in to a meeting to debrief? Can we send an email out to collect info. regarding positive experiences and challenges?

Stroller size/wheel discussion: carts must be able to move. The wheel discussion had to do originally with the main stage carts for fire safety and less about carts placed at other locations during the fair. Cart must be "moveable"

We need to define "strolling vendor"/cart
