

OCF MINOR ON SITE FORM

All of us at the OCF want to have a safe and wonderful experience at the Fair. As the Fair has grown we no longer all know each other, and unfortunately there are people who come to the property before, after and during the Fair, who take advantage of our open and loving community. Even though the Fair tries hard to prevent problems, inappropriate behaviors sometimes occur. These behaviors can include crimes such as theft, and physical and sexual assault. In addition to this, our site is an active construction zone and possesses any and all hazards one could encounter at an active construction site.

By signing this statement, you represent that you are, or have authorization from, the minor's parent or legal guardian to have the minor on the Fair property. You also agree to be responsible for ensuring the safety of all minors in your care, and that you will not leave children unattended at any time while on Fair property.

Names of minors in your care on Fair property:
