Public Transportation & Emissions			
Idea Title		**Key Information**	**Document / more information:**
Lane County Transit & Public Transit	$$$	Increase capacity & incentivize usage to increase ridership and relience on LCT	40D3fPhxvVD--g9Qm9_o/edit?usp=sharing
Carpooling	$	Further incentivize carpooling & formalize the process where possible	Sak_Ub12e8j8N6RsGqeqhy0PlcvYNFeMjjY63E0Q/edit?usp=sharing
Electric Recharching Stations	$$$$	Work with state and local government agencies to connect OCF to the north-South rechargable power route; will encourage and enable use of electric vehicles. Needs more research on portable units. May be a better idea for pre-fair. A list of nearby charging options for people is something we could promote.	A specialized location for people to charge their electric vehicles would allow more people to charge their vehicles. Also, light electric vehicles would be useful for back-and-forth trips.
Amtrack Partnership	$	experience. Include zumwolt	Jq6b-Gj_V3o2Ry6Y/edit?usp=sharing
Increase cycling to the Fair		Oregon. 126 bike paths and expansion in process.	
Increase costs for parking permits, create incentives			
Organization Emissions			
Idea Title		**Key Information**	**Document / more information:**
Biodiesel & Renewable Fuels	$	Increase use & efficiency of biodiesel / enter partnership to get ghigher level biodiesel	J511DdFgYQ6byqPvXMs/edit?usp=sharing
Change or restrict fire-permits		Participants concerned with 75 fire permits, many of which may burn around the clock. Double check # of permits.	
Formalized Carpooling at the Crew Level	$	Help crews institute more and better carpooling practices. Fun incentives! Bacon!	Sak_Ub12e8j8N6RsGqeqhy0PlcvYNFeMjjY63E0Q/edit?usp=sharing
On-site, or nearby, construction equipment		Local hardware or lumber company set up a satellite shop to help reduce number of trips for construction. Booth folks could possibly tag on to QM supply runs? Tool lending library.	**Identify existing and ongoing efforts in this regard**
Reduce volunteer and crew travel		Find ways to make the trips that fair family more purposeful. Explore more. Bus passes?	https://docs.google.com/document/d/1UgZTUWTSUb18wgG94th9OC3fV3_q1E28bw-7wnZPH88/edit?usp=sharing
Human Waste Carbon Emission Reduction		Data forthcoming from Honey Buckets. Composting toilets.	
Local sourcing of products		Involve food and crafts committees. Create policy recommendation? Future research topic.	
Rent or replace to increase electric or propane us	$$$$		
			Document / more information:
Renewable Propane	$	Source renewable propane from the local Eugene Blue Star to reduce emissions of onsite propane usage	J511DdFgYQ6byqPvXMs/edit?usp=sharing
On-site storage area / Nearby warehouse	$$$$	problem with lack of onsite storage; potentiially very complicated	8VPmBKQTnOwg7mCYI/edit?usp=sharing
Grey Water		would need more flishing out *haha*] LUMP Committee currentlly doing grey water survey. May have good info.	
Renewable Energy			
Idea Title		**Key Information**	**Document / more information:**
Carbon Offsets		or local community offsetting.	Z705zfLjVIlWYQukLKowjqP2bvZhLtgY-F-p8cjOE/edit?usp=sharing
Bicycle Powered Stage		the fair.	
Solar array on top of HUB and composting facility		Fair has some extra solar panels. The rewiring of the hub might allow them to integrate the remaining panels	Peach power has been looking at a lot this last year;
Community Solar		programs through EPUD and EWEB	WUnkhUniEJNrNBOHCzQHUa2yL3yUac/edit?usp=sharing
Energy Efficiency		Find ways, and preemptively plan, to lower electrical draw to support solar installations	
Wood Gasification		Takes the natural woodfall of the Fair site to generate electricity, need more information.	emitted and then use remaining carbonized wood to integrate into soil
Carbon Sequestration		There are some things that we can do to increase our C uptake, such as thinning the Douglas-firs along Chickadee Lane. Plant trees.	
Other			
Idea Title		**Key Information**	**Document with more information:**
All fair kithcens go vegetarian		Reduces Carbon from meat production	
Divest Fair Finances		Divestment of the fairs resources from banks involved with oil. Ask Hilary.	
Improving Data Collection		What came up about data? Data collect at poin of sale and throughout pre-fair.	
Incentives			
Increase parking costs to reduce drivership		A way to "encourage people to consider alternative transportation- incentivizing people to find other means."	people to take the bus.
