

Limited Access to the Property This Weekend

We are dismayed to announce that access to the Fair Site will be limited to essential crews only this weekend. It's too wet out there for a large amount of traffic. The traffic in the shared spaces has created a hardship on the land. We must uphold our dedication as Stewards of the Land and tread lightly until weather conditions allow our Fair Site to dry out. The inside of the Figure 8 is closed to ALL TRAFFIC this weekend. This includes Foot, Cart, Gator, and vehicle traffic.

Lucy and Yurt Appointments will be handled at our Eugene office over the weekend. Booth Reg will be available virtually and in the office as well.

The office is located at:

442 Lawrence St.

Eugene, OR 97401

541-343-4298
