

3.28.23

Food Committee meeting

Public Session

Attendance: Dave, Vanessa, Dan, Sue, Larry, Caitlin, Saman, Thom, AJ, Danya, La Rissa, Kirin Lee, Lisa (reefer) Summer (scribe)

Lower Reefer

Lisa from reefer: Lower Reefer has to move, location still to be determined. Looking at two options:

- Option 1: Move to middle of medallion row. Would be closer to vendor, would also take away parking and alterable space.
- Option 2: move out to Pirate Cove. Far out, would reduce noise and easier for ice to be delivered to reefer. Would create "Polar Express" system to run from main camp to reefer.

Concerns voiced over being able to maintain proper handling and temperature of perishables, coordination of product delivery. Feedback from food committee is encouraged, and can be sent to:

Lisaandnora@gmail.com (Lisa Cooley, reefer crew)
