### Permanent Vacancies

Dana's Cheesecake

Ice Delite

- Maybe an opportunity for Cascadia Snowcones to use that space

### Booth Rep Changes

Interviews can happen on Zoom

Work out list of questions

Contact for Interviews

Update status from provisional to official for reps in place and deemed qualified

- Raw: Madison temporary rep, went through the process and qualifies
- Sumo Sushi: Luke Anderson went through the process
- New Day: Erin Dietrich
- Olive Grove: Janet's stepdaughter
- Ritta's: Royce Siglow

Interviews on 3/28:

- Erin Dietrich, New Day Bakery @6:30pm
- Royce Siglow, Ritta's @6:45pm

Request to remind everyone the importance of having booth rep contact at mandatory food meeting.

Also address need to clean up secondary booth reps as some requirements are not being met, will have to be done individually.

Suggested to create a March 1st deadline of having Booth rep information updated, would benefit registration.
