

Congratulations for being selected as a 1 Year Only Approved Crafter at the 2024 Oregon Country Fair! We welcome your spirit, love and talent to our one-of-a-kind magical event!

Below you will find important information regarding the booth selection process and how to register yourself and your guests to attend.

Your 1YO team of volunteers from Booth Registration are Dave Merrill, Morningstar Owens and Autumn Maker with Doug Quirke at the helm as our Booth Coordinator; and we are all here to answer any questions and make your entry and experience at Oregon Country Fair the best possible.

As opposed to the general email and phone number for OCF Booth Registration that has been used in the past, we now have a dedicated email address and phone number just for our 1YO Crafters!

Booth Selection

Booth selection will happen in the order of your juried ranking. We will reach out in order and allocate 10 crafters at a time. The 1YO team will email with a photo album of available booths and ask for your 5+ top choices. *Please look out for this email as you will only have a week to make your selections.*

As a 1YO crafter, you must share your booth with another Approved Crafter that can be selected from the Wait Share List that will also be attached to the Booth Selection email. This list will also be published in the Fair Family News in May and June and be available on the OCF Website. There are some 1YO Booths that are allowed a single crafter only and if still available by Booth Selection, will be identified in the email.

People, Passes & Payments

Each 1YO Crafter is allowed 4 Wristbands and 2 Vehicle Stickers. The Wristbands (Standard Passes) will allow you and your guests access to the site overnight. You are allowed to purchase Worker Day Passes if you need additional help. The 2024 OCF Fees are available <https://oregoncountryfair.net/2024-price-list/>.

Once your Booth has been assigned, you will receive another email from our team with a link to enter the names and necessary information to register yourself and your guests and who will be assigned your vehicle stickers. Once we receive that information, we will prepare an invoice for you to pay through Quickbooks. Don't worry, if you need to make any changes, just email us and we will take care of you. There are no late fees associated with 1YO booths.
