

Innovation in Education Programming Policy

The policy:

Innovation in Education Programming Policy

The Board will fund innovation in the educational programs that include Energy Park, Community Village, Craft Demonstrations, Archaeology, Sustainability, Spoken Word, and the Still Living Room. Each of these areas may submit a proposal for a project that would be educational, innovative and participatory, if possible. We would fund up to \$5000 per year on one or more projects. The proposals must not add additional wristbands and must take place within the boundaries of each location. A committee of the board will meet yearly to review and recommend projects that meet these criteria for approval by the board. The proposals are due in September and grants will be approved in October. This program will start in 2025.

Thank you

The OCF Board of Directors.
